# Gauge

Using the Corner to Corner Crochet Stitch

6 'squares' x 6 'squares' = 4 inches

# Size

The final size of the scarf measured 6 inches by 63 inches

# Changing Colors in the C2C Snowman Scarf

You will be changing colors in the last double crochet stitch of the row. To do this make your double crochet stitch like you normally would, but for the last yarn over, use the new color and drop the old color. This way when you chain up 6 in the next row it will be with the new color.
