## WEEK 3

R23: Ch 6, Dc into the 4th, 5th, and 6th chain from the hook. (Slst to the turning chain of the previous row, Ch 3, Work 3 Dc around the turning chain you Slst to.) Repeat from (to) to the end of the row.

R24: Turn, Slst to the last 3 Dc of the previous row, Ch3, turn. Work 3 Dc around the turning Ch of the previous row, \*Slst to the next turning Ch, Work 3 Dc around the turning Ch of the previous row,\* repeat from \*to\* until you are even with the top of the previous row.

Continue repeating Row 23 and Row 24 until you have a total of 86 rows or you reach your desired length.

Fasten off once you reach your desired length.

## Alternate Ending

If you would like both sides to be squared off instead of having a pointed hat you can repeat this optional row until you have a squared off end.

Optional Row: Turn, Slst to the last 3 Dc of the previous row, Ch3, turn. Work 3 Dc around the turning Ch of the previous row, \*Slst to the next turning Ch, Work 3 Dc around the turning Ch of the previous row,\* repeat from \*to\* until you are even with the top of the previous row.
